MEMORANDUM FOR: The DCI

VIA: The Executive Director

1. Herewith are comments by Director of Security in two memoranda dated 20 and 26 December 1962 on Allen W. Dulles' manuscript, "Study on Intelligence." I concur in the objections and suggestions made.

2. The manuscript itself was previously forwarded to you on 19 December, along with memorandum by Colonel Grogan dated 11 December.

3. Mr. Dulles telephoned me this morning in the absence of Colonel Grogan, to inquire about the manuscript, and to say that the galley proof would be along very soon. He also said that, in addition to the copy sent to Colonel Grogan, the manuscript had been seen by Mr. Helms, Mr. Angleton, and Mr. Kent.

4. I told Mr. Dulles that the manuscript was still undergoing review, and that I would be in further touch with him.
